Subject: Invitation to Participate in the Black Ribbon Campaign

Hello,

Our community is participating in the Black Ribbon Campaign, a movement inviting individuals, families, schools, workplaces and organizations to wear the Black Ribbon as a symbol of unity, strength and solidarity in the fight against racism and intolerance.

We would like to invite your organization to join us. Participation can be as simple as sharing the pledge link, encouraging members to wear a ribbon, displaying a QR code, ordering ribbons for your group, hosting a short activity or sharing an approved photo of your participation.

We can provide posters, ready-to-use messages, QR codes, social-media materials and participation tracking tools.

If you would like to participate, please contact: _____

Thank you for helping grow a message of unity, strength and solidarity in our community.

Sincerely,

Community Lead
